SKILLS

1. Programming Languages
- Python, JavaScript, Java, C++

2. Frameworks and Libraries
React, Node.js, Django, TensorFlow

3. Tools and Technologies
- Git, Docker, Jenkins, MongoDB

4. Cloud Platforms
AWS, Google Cloud, Heroku

5. Methodologies
- Agile, Scrum, Test-Driven Development(TDD)

6. Soft Skills
- Problem-Solving, Team Collaboration, Communication

LANGUAGES

- English - Fluent
- French- Fluent

OTHER INTEREST

- Fitness Enthusiast & Content Creator
- Run a dedicated fitness channel focused on bodybuilding, nutrition, and workout routines. Regularly stream workout sessions and provide tips to help others reach their fitness goals.

EXPERIENCE

Software Engineering Intern

ENEO Cameroon | Jul 2023 – Sept 2023
- Collaborated with cross-functional teams to identify and prioritize features for the recruitment platform optimization. requirements
- Conducted code reviews and provided constructive feedback to improve code quality and maintain best practices.
- Developed and executed unit tests to ensure robust and reliable software delivery resulting in a 20% reduction in bugs.
- Performed system testing to guarantee software quality and smooth user experiences.

PROJECTS

- **Speech Emotion Detection App**
Developed and deployed a mobile app integrating a custom-built speech emotion detection model using Python, TensorFlow, and TensorFlow Lite for real-time emotion analysis.
Tech: Flutter, TensorFlow Lite, Dart, Python
- **Automated Reporting System for Moove Student**
Contributed to a developer group by creating a landing page and an automated report generation system, enhancing workflow efficiency for the platform.
Tech: JavaScript, HTML, CSS
- **Social Media Dashboard**
Built a React-based social media dashboard to manage and analyze user interactions, integrating real-time data visualization and account management.
Tech: React, API Integration
- **Task Manager App**
Created a task management application with React, enabling efficient task tracking and prioritization with a user-friendly interface.
Tech: React, JavaScript

EDUCATION

- **Higher National Diploma (HND) in Software Engineering**
Institut Universitaire de la Côte (IUC), Douala • 2021–2023
- **Bachelor of Technology (BTech) in Software Engineering**
Institut Universitaire de la Côte (IUC), Douala • 2023–2024
